## A Note From Craig And Berniece

We are excited to be enjoying the warmth of summer and hope you are too!

With a new season comes new projects and here at Minghini's we continue to proudly serve our clients while living by the Golden Rule. We continue to provide fast and reliable service to our clients and aim to exceed expectations daily. This Summer has been no exception!

This season, our team has provided a variety of services from general contracting and remodeling to long-term maintenance and commercial buildouts.

Some of these projects are detailed below and we can't wait until you see them around our regional community!

## Featured Project

Faith Christian Academy

Our team is hard at work on Faith Christian Academy's new school building project, which broke ground on July 8, 2024. Construction began immediately following the groundbreaking ceremony with Minghini's pouring concrete footers the same week. This new secondary campus will sit on 75-acres and the building will be constructed in about 10-12 months, so FCA is planning to open the school to students in Fall 2025.

The project will be completed in two major segments. Phase 1 will involve the buildout of 14 classrooms and Phase 2 will be construction of the new gymnasium and cafeteria.

Students in 6th-12th grade will attend school in the new building while K-5 will remain at the current location at 138 Greensburg Road in Martinsburg.

"Faith Christian Academy has worked with the Collis family on this project since the fall of 2022," said Faith Christian Academy's Administrator Eric Kerns. "The entire Minghini's family has been supportive and professional during this portion of the process. The groundbreaking ceremony just occurred, and the building is now underway. We look forward to an effective relationship as the building is completed in these next 12 months."

## Check out the groundbreaking fun!

## Community Connection

Minghini's is a proud supporter of the Girl Scouts of Nation's Capital where Berneice has served as the Chairman of Women of Distinction Committee for over a decade. The annual luncheon raises funds while recognizing and celebrating outstanding women in the Eastern Panhandle.

This year, the Girl Scouts of Nation's Capital will recognize the following women as Women of Distinction honorees. Join Minghini's in congratulating these phenomenal professionals and community servants!

- Ms. Kristie Hadley
- Dr. Chiquita Howard-Bostic
- Ms. Cindy Largent-Hill
- Ms. Valerie Smith

## Family Connection

In June, we welcomed our granddaughters, Savannah and Mikaela, home from Florida for the Summer! Our family headed to Hershey Park soon after their arrival to enjoy time together and kick off a summer of fun! We look forward to making many new memories together in the coming sunny months. Watching our grandchildren grow up has been such a blessing and we love passing on business and life skills to them!
