BLUEPRINT FOR PROGRESS

Winter 2025

BLUEPRINT FOR PROGRESS

Winter 2025

A Note From Craig And Berniece

As we begin the new year, we are excited to share with you all that the Minghini's team has accomplished since warmer weather, and all that we are excited for this season. It is our honor to do the work we do in our Eastern Panhandle community, and we hope you enjoy watching our results. May 2025 be filled with fun, friendship, and prosperity!

Warm regards,

— Craig & Berniece Collis

❄️ Winter Tips:

Minghini's reminds you of the easy methods of upkeeping your home or office in the winter months. Keep your building or house ready to take on the cold!

- Remember to replace filters on your heating system.
- Seal windows with filler or with clear tape to lock in heat.
- Insulate pipes to prevent freezing.
- Clear gutters to prevent blockages and snow freezing.
- Check and replace malfunctioning smoke alarms.
- Clean chimneys and HVAC systems.
- Lubricate outdoor tools like snowblowers and keep electric tools in warm storage spaces.

🔧 Around The Region Projects In Progress

These are a few of the major projects that we are completing around our region and will feature soon!

- Faith Christian Academy
- Rippon Brewing Company
- The Woods Golf Club Pro Shop
- Valley Health Family Medicine | Jubal Early
- Winchester Gastroenterology Associates

🤝 Partner Spotlight

Minghini's would like to recognize the fantastic work of our partner, **Cutting Edge Caseworks!**

Cutting Edge Caseworks is a family owned and operated company that specializes in manufacturing custom commercial cabinets, countertops, and millwork.

"Our first projects with Minghini's were in 2018, in which we completed work on First United Bank," said Gray Sanders of Cutting Edge Caseworks. "Since then, we have been fortunate to provide them casework for the Valley Health project as well."

Minghini's chose Cutting Edge Caseworks as a partnering subcontractor because of their proven professionalism and results.

"Minghini's has a great reputation and treats its subcontractors and employees like family, in addition to their great professionalism," said Sanders. "They are wonderful to work with!"

Gray said Minghini's shows great leadership and workmanship through and through. "Being a part of their team pushes everyone to achieve their goals effectively and efficiently," Sanders said.

We appreciate partnering with Cutting Edge Caseworks and we are looking forward to working with them again in the future!

👥 Community Connection

Minghini's would like to congratulate our local Neighborhood Investment Program (NIP) credits recipients, Panhandle Home Health and CCAP Loaves & Fishes. These organizations do incredible work to benefit the Eastern Panhandle community, and we are thankful for them this holiday season! Make sure to ask about WV's NIP program when making donations to area non-profits.

This summer, Minghini's also participated in the Puttin' for Panhandle Home Health mini golf event. Our morning group included Craig Collis, his sisters Cindy Collis and Sharon Paxson, and his brother-in-law Will Paxson. Our afternoon flight included Zach VanMeter, Morgan Collis, Marcus Spina, and Rich Wallace. Thank you to Panhandle Home Health for such a fun-filled annual event. We enjoy supporting the cause!

❤️ Family Connection

This fall, Morgan coached Boyd's soccer team! They have traveled to venues all around the region! This has brought their father-son bond even closer and has taught Boyd many lessons about hard work, discipline, and adversity leading to success.

The Collis family also traveled together to the Outer Banks this summer and enjoyed the sights and warm weather of the Atlantic coastal region. Our favorite stop on the trip was the Cape Hatteras Lighthouse. It happened to be under renovation when we were there, so the children got to see a unique renovation project. We always weave educational experiences into the fun of summer vacations!

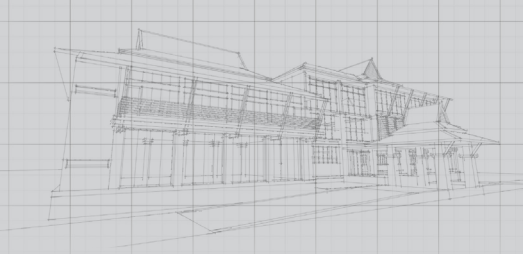

👷 Employee Spotlight

Minghini's would like to highlight the amazing work of Daniel Caton, who recently retired from Minghini's after serving our company for 30 years. Daniel is a skilled carpenter who took on Morgan Collis as an apprentice at the beginning of Morgan's career.

"Our family was very impressed with Morgan's performance at the top of his class while he was under Daniel's tutelage," said Craig.

Thank you for everything you have done for the Minghini's family and enjoy your retirement, Daniel! You will be missed.

The team at Minghini's wants to hear from you! Let us know how we can best serve your needs.
