Summer 2025

Summer Greetings From Craig And Berniece

As we bask in the summer sunshine and enjoy warm evenings with loved ones, we wish to share our accomplishments since the winter months—and all that lies ahead. We're delighted to celebrate our business growth alongside our growing family while expanding services and strengthening our community roots. We hope the summer and fall of 2025 bring prosperity and joy to everyone in our regional community.

Warm regards,

— Craig & Berniece Collis

From modest beginnings and big dreams, to the company Minghini's is today, this snapshot of Craig and Berniece Collis in their original office is a testament to the hard work, vision, and values that have laid the foundation for everything Minghini's has built.

Constructing Community Connections

Minghini's commitment to helping our neighbors was exemplified in April when Berniece Collis, Vice President and Co-owner of Minghini's, was named the 30th Berkeley County Distinguished Citizen by the Potomac District Shenandoah Area Council, Scouting America.

Congratulations, Berniece—this recognition is well-deserved! The Minghini's team is very proud!

Panhandle Home Health

Minghini's was grateful for the chance to serve as the Big Heart Sponsor for the Generous Hearts Gala, hosted by Panhandle Home Health. Stay tuned – Minghini's is beginning an exciting new project with Panhandle Home Health, renovating office spaces and optimizing training areas.

Women of Distinction

Also, each year, Girl Scouts Nation's Capital honors three Women of Distinction who have made outstanding contributions to our regional community, exemplify selfless service, and live out the values of the Girl Scouts in all they do.

This year's honorees are Vickey Bullett, Joy Lewis, and Cara Keys! The Women of Distinction luncheon will be on Wednesday, October 8, 2025 at the Holiday Inn in Martinsburg, WV at 11:15 AM. Contact Berniece if you would like to honor these ladies by sponsoring the event.

We look forward to joining many of our friends from across the tri-county area this fall at the Girl Scouts Nation's Capital Women of Distinction Luncheon, as we celebrate these remarkable women who continue to inspire the next generation of young women making a difference.

Collis Family Corner

Rock out, Savannah! Our family could not be prouder of Savannah Collis for her performance as a singer and guitar player in her all-kid rock band in Florida. We were especially blown away by her rendition of "Style" by Taylor Swift. Let's hear it for Savannah and all kids who are pursuing their dreams!

The ladies of the Collis family came together on the eve of Mother's Day for a lovely ladies' tea. We are so thankful for each of the wonderful mothers who raised us to be the people we are today. Below is a photo of Berniece Collis' mother, Patty Nisewarner, taken as the ladies' tea began.

Employee Spotlight

Join us in congratulating Colt Collis on his graduation from Hedgesville High School! We enjoyed having Colt work with us the final semester of his high school career. He is heading to technical college to pursue welding, and we couldn't be prouder. Pictured are his father, Jason, and Jason's fiancé, Amanda, with Colt on his big day. Keep blazing your trail, Colt!

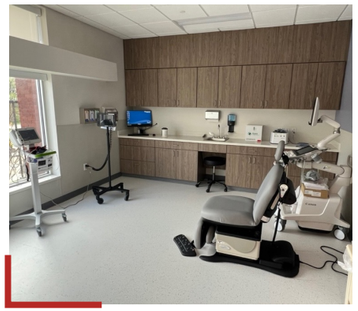

Blueprint to Reality

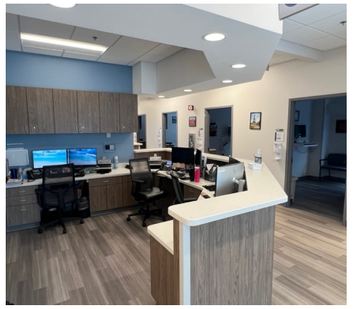

This spring, Minghini's completed an extensive buildout of Valley Health System's new facility at 519 Jubal Early Drive in Winchester, Virginia. This state-of-the-art medical center encompasses three floors and three quarters of the building space, which now houses a Blood Draw Laboratory on the first floor, Endocrinology/Ear, Nose, and Throat care on the second floor, and a Family Practice on the third floor.

Minghini's takes great pride in completing projects that result in lifesaving services close to home in our region.

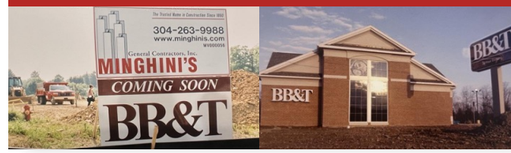

Minghini's Memory Lane

As Minghini's looks to the future, we also want to celebrate our Minghini's family's rich past! We hope you enjoy these photos that take us on a trip down Memory Lane!

Here, we see Craig Collis in his early years of leading Minghini's, during the construction of the Branch Banking & Trust (BB&T) project on Edwin Miller Boulevard. The building, now occupied by Truist, stands as a testament to our longstanding presence and impact in the Eastern Panhandle.
