Season's Greeting from Craig and Berniece

As we step into a new year, we're thrilled for the opportunities ahead, inspired by our growing team, and excited for the moments of joy still to come. The support and love of our Minghini's family fuels our commitment to excellence, empowering each of us to deliver top-tier results for clients across the Eastern Panhandle and beyond.

Before we turn the page, let's reflect on the standout moments and accomplishments that defined our 2025. We're ready to take on the next chapter with gratitude and momentum in 2026.

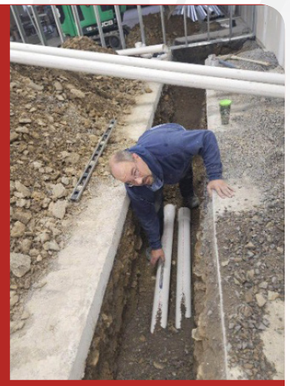

Warm regards,

— Craig & Berniece Collis

Partner Spotlight

Moreland's Plumbing has been a trusted subcontractor of Minghini's since the early 1990's! They have been in business in and around Berkeley County for over 40 years and currently operate as a father and son team, offering services for commercial and residential projects.

Gary and Barbara Moreland met Craig and Berniece Collis at church, which has led to decades of successful joint projects. Most recently, Moreland's provided the plumbing for Minghini's work at King's Pizza in Inwood, WV and Domino's Pizza in Winchester, VA. We would like to extend our thanks to Moreland's for their high praise for our work in the office and on the job site.

Our Projects & Progress

- **Fellowship Bible Church Phase II Expansion | Shenandoah Junction, WV**
- **King's New York Pizza, Unit 13 | Inwood, WV**
- **Ready, Set, Play | Winchester, VA**
- **Rippon Brewing Company | Rippon, WV**
- **Shepherdstown Fire Hall, Men's & Women's Bunkrooms | Shepherdstown, WV**
- **Valley Health Medical Office Building | Hedgesville, WV**
- **The Woods Clubhouse Expansion | Hedgesville, WV**

Constructing Community Connections

Minghini's was proud to sponsor Tuscarora Dental's Freedom Day, where U.S. Armed Forces veterans received complimentary dental care. Our sponsorship helped provide a U.S. Navy Veteran with additional comprehensive care.

Craig and Berniece Collis also had the wonderful opportunity to attend Faith Christian Academy's grand opening ceremony for the new school building. Community leaders, colleagues, and friends all came together for a ribbon cutting, a tour of the building, and to celebrate the beginning of a bright future for Faith Christian Academy students in the new state-of-the-art space.

Collis Family Corner

We would like to congratulate Boyd Collis and the entire Faith Christian Academy Middle School Boys Soccer team on completing the 2025 regular season in second place. The Falcons also finished third in their conference! These experiences require hard work and build confidence, which translate into great work ethics as these children grow up to be the next generation of professionals.

While there was an abundance of blessings to be thankful for in 2025, the Minghini's team cherishes these opportunities to be with loved ones most of all. The Collis family gathered in October for their annual Halloween celebration, bringing together extended relatives of all ages for an evening full of laughter and spooky fun. The following month, they came together around the Thanksgiving dinner table to enjoy delicious food and share the things for which they are thankful.

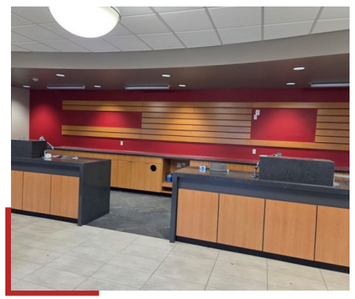

Blueprint to Reality

The Minghini's team recently completed a full renovation for the new Domino's Pizza location in Winchester, VA. The building received a complete overhaul and now features modern interior and exterior designs with updated Domino's branding. Whether customers are grabbing lunch for their team in the breakroom or picking up pizza for a weekend game day, this new Domino's location offers a convenient spot for the community, now open on Berryville Avenue in Winchester, VA!

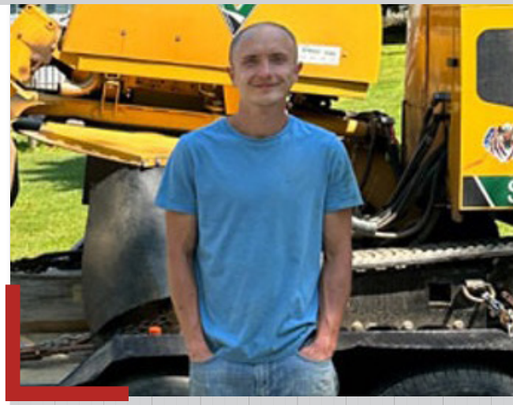

Minghini's also recently completed a project at First United Bank in Boonsboro, MD. Inside the bank, our services included a repainted interior, electrical work, and a new low privacy wall. Exterior improvements included the new red paint and a new entrance porch. The result was a refreshed environment designed to enhance both customer experience and daily operations.

Employee Spotlight

We are pleased to welcome Joshua Brining to the Minghini's team! Joshua is from Hedgesville and graduated from Hedgesville High School. Before beginning at Minghini's this October, he worked in various industries, including customer service, sales, and construction. He is also the owner of a stump grinding business.

"There is no typical day at work, as we do such a wide variety of things," said Joshua. "I have worked on a few different Domino's locations, Valley Health, Casey Trees, 'Ready, Set, Play', The Woods Golf Club, and more!"

Joshua said he chose Minghini's because of our reputation and hoped to learn more about the construction industry. He likes that every day is filled with new challenges and opportunities to learn and really enjoys the people on our team.

Outside of work, Joshua has two daughters and a wonderful wife at home. He also loves soccer, golf, and the Carolina Panthers football team!

The team at Minghini's wants to hear from you!
Let us know how we can best serve your needs.
